

EXT. PARKING LOT - NIGHT

Neon light glows dully against the near-empty parking lot of a Chicky-D's. Inside, we see two Chicky-D's workers.

INT. CHICKY-D'S - NIGHT

Casual chatter of a NEW WORKER and his MANAGER echoes off the crumb-covered tabletops and whining soda fountains. Both sit scrolling through their phones, waiting the night out.

MANAGER

Who'd you get for your early rounds?

NEW WORKER

Got lucky, Puka was my first pick.

MANAGER

Shit! I had to babysit my brother. The little monster got ahold of my phone.

NEW WORKER

You didn't get anyone good?

MANAGER

He held my phone hostage over the disposal for almost an hour, what do you think?

NEW WORKER

Damn. You know, I-

Their conversation is interrupted by the screeching of tires.

EXT. PARKING LOT - NIGHT

A car pulls into the lot.

INT. CHICKY-D'S - NIGHT

Both workers snap their heads over to the window. They look at each other, nod, and pull on a matching pair of headsets.

CHICKEN (O.S.)

Okay team...

INT. COMPUTER LAB - NIGHT

At the Chicky-D's HQ manning a computer and headset is the Chicky-D's CHICKEN (head off, Chicken body on).

CHICKEN  
...it's go time.

INT. CHICKY-D'S - NIGHT

New Worker and Manager scramble into their positions.

CHICKEN (V.O.)  
A lot of our competition likes to rest on their laurels in terms of service.

INT. INTERVIEW SPACE - NIGHT

Chicken sits in an interview chair, minus the headset.

CHICKEN  
But at Chicky-D's, we take Customer Satisfaction very seriously.

EXT. PARKING LOT - NIGHT

A CUSTOMER unlocks their car and walks toward the Chicky-D's entrance.

CHICKEN (V.O.)  
Every order is carried out quickly and efficiently. Every customer is served with a smile. And every 'Thank You' receives a 'My Pleasure' with our service. They enter the building.

INT. INTERVIEW SPACE - NIGHT

Chicken stares at the interviewer, deadly serious.

CHICKEN  
Because it is our pleasure.

INT. CHICKY-D'S - NIGHT

New Worker hands Customer their order.

NEW WORKER

There you go, your sauce is in the bag.

Customer checks phone as it goes off.

CHICKEN (O.S.)

Alright Chicken Little, the egg is in the frying pan. Prepare to execute Operation Proper Sendoff.

New Worker nods as Customer looks up.

CUSTOMER

Yes!

New Worker looks over, seeing a fantasy draft app open on the Customer's phone.

NEW WORKER

Awe man, who'd you get?

CUSTOMER

Yo, check this. I got Uno!

NEW WORKER

Dude, nice.

They both high five.

Customer checks bag.

CUSTOMER

Oh, sorry could I get some ranch with that, too?

NEW WORKER

Sure thing, man.

They grab some ranch and hand it to the customer.

CUSTOMER

Perfect, thanks.

NEW WORKER

No problem. Hey, good luck with the rest of the season.

The Customer waves as they walk out.

New Worker watches them go.

COW (O.S.)  
Chicken Little! What are you  
doing?? The Hen has flown the coop  
without Send Off. I repeat, the  
Customer has not received a my  
pleasure!

New Worker immediately panics and starts sprinting after the  
Customer out of the Chick-y D's.

EXT. PARKING LOT - CONTINUOUS

They run after the car of the Customer is peels off.

NEW WORKER  
WAIT! I FORGOT TO SAY MY  
PLEASURE!!!!!!!!!!

Freeze Frame.

COW (V.O.)  
Yeah...

INT. INTERVIEW SPACE - NIGHT

Cow stares blankly at the interviewer.

COW  
He's gonna be on trash duty for the  
rest of his life.

CUT TO BLACK.

ROLL CREDITS.
